Cash 3

Play Cash 3 every day

Cash 3 is a great Western Australian game that can be played every day of the year. It's as simple as choosing a 3 digit number from 000 to 999. If the numbers you have chosen are drawn that night, you are a winner.

There are three Cash 3 play options.

Exact Order – your three numbers match those drawn in the exact same order.

Any Order – your three numbers match those drawn, but can be in any order.

There are two options with Any Order:

3 Way – when 2 of the numbers selected are the same. For example, if your selected numbers are 266, there are 3 possible combinations with which you can win: 266, 662 or 626.

6 Way – when the 3 numbers selected are all different. For example, if your selected numbers are 147, there are 6 possible combinations with which you can win: 147, 174, 741, 714, 417 and 471.

Both Ways – play both of the ways above, Exact Order and Any Order. This game play provides you with more chances to win a larger Cash 3 prize.

Prices are in the Cost of Entry brochure, which is available from Lotterywest retailers and on the Lotterywest website.

Cash 3 Fact...

The biggest payout for a single Cash 3 wager is \$500. Not bad for a one dollar flutter!

How do I play Cash 3?

Visit a Lotterywest retailer to purchase a Cash 3 ticket. There are two ways to play, either by using playslips or Slikpiks.

Playslips

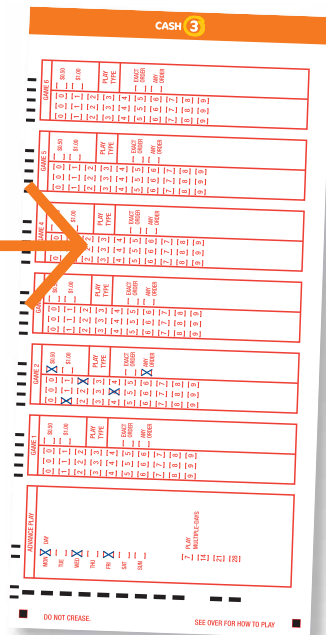

Look for this playslip

You can play up to six games on one playslip. To complete your Cash 3 playslip simply follow the instructions below:

1. Use a cross to mark the day/s of the week you wish to play, or play up to four weeks in advance.
2. For each game panel, mark three numbers you wish to play, between 000 and 999.
3. In these game panels, select the amount you wish to wager.
4. Finally, select the play type by marking Exact Order, Any Order, or if you want Both Ways, mark both.

Please mark all sections with a cross using a BLUE or BLACK PEN, or PENCIL.

Finally, give the completed playslip to your Lotterywest retailer who will process it through the terminal and give it back to you with a print out of your chosen numbers. This is your ticket and is needed to claim prizes, so please keep it in a safe place.

Slikpiks

Slikpiks are tickets of randomly selected numbers produced by the terminal. Just ask your Lotterywest retailer for your selection from the following:

- The number of games you wish to play – 50, 30, 25, 18, 12, 6, 2.
- The day/s you wish to play – any combination of the days of the week or – for 7, 14, 21 or 28 consecutive days.
- How much you wish to spend per game.
- The play type – Exact Order, Any Order or Both Ways.

Ticket Repeat

You can select your numbers to enter future Cash 3 draws by presenting an existing ticket (including Slikpiks) and requesting the same type of ticket and combination of numbers. Just ask your Lotterywest retailer about the Ticket Repeat option.

Advance Wagering

You can select any combination of days for the following week or alternatively play for 7, 14, 21 or 28 consecutive days by marking the appropriate box in the Advance Play section of your playslip.

Check your ticket

Please check your Cash 3 ticket before you leave your Lotterywest retailer. Check the numbers you wish to play have been correctly selected and make sure you are in the draw you want to play. Prizes can only be paid if you have a valid and correct ticket so it is up to you to check you've got the numbers you want in the draw you want.

After the draw you can find out if you have the winning numbers by using the Lotterywest Ticket Checker. Visit your Lotterywest retailer and scan your ticket barcode to see if you're a winner!

Draw results

The Cash 3 draw results are on television every night. Check your local television guide for details.

If you miss the draw results or want to check your numbers, use the Ticket Checker at any Lotterywest retailer, visit our website at www.lottoresults.net, or call 1900 919 958 (Dialect Interactive. Calls cost 44 cents per minute including GST. Mobiles and pay phones extra). Results are also published by Lotterywest in The West Australian newspaper.

Collecting your prize

Winners can claim their prizes from Lotterywest, 74 Walters Drive, Osborne Park, or at any Lotterywest retailer. Lotterywest retailers have a \$500 cash payout limit and amounts greater than this may be subject to cash availability. Please check with your retailer.

Under the Lotteries Commission Act, 1990, prizes can only be claimed and paid for up to 12 months after the date of the draw. After this period the ticket is no longer valid. Unclaimed prizes are returned to the Western Australian community via Lotterywest grants.

And remember, your winning ticket is a bearer ticket. It's just like cash, so please keep it safe at all times.

Official Cash 3 Rules

When you play Cash 3 you agree to be bound by the rules governing the game. A printed copy is available to view at your Lotterywest retailer or on the Lotterywest website www.lotterywest.com.au

If any conflict should occur between the Rules and information contained in this brochure, the Rules must take precedence.

You must be 16 years of age or older to play any Lotterywest games.

Be a winner, just play for fun

Lottery games are designed to be a fun, low cost form of entertainment. We encourage you to think about your lottery purchases and only spend what you can afford. Lotterywest, together with other members of the gaming industry in Western Australia, supports services for people who have a gambling problem. If you or someone you know would like more information, please phone the Problem Gambling Helpline on Freecall 1800 622 112.

A uniquely Western Australian approach

Established in 1933 as the Lotteries Commission, Lotterywest is the official state lottery for Western Australia. Unlike any other Australian lottery, we not only sell lottery games, we also distribute the profits from our games directly to the Western Australian community. Every time you play one of our games, the Western Australian community wins. For more information on Lotterywest, visit www.lotterywest.com.au
