HOW TO ORGANISE A SYNDICATE

1. Select a ticket option for the draw.
2. Collect money for each share from family and friends.
3. Select & mark the numbers on your entry form then transfer these numbers to an OZ Lotto playslip and hand it with payment to your nearest Lotterywest retailer.

   Alternatively advise your retailer of your slikpik ticket option (provided it meets the minimum game and minimum cost requirements of a syndicate).
4. Visit www.lotterywest.wa.gov.au for results.
5. Distribute the syndicate share tickets to each syndicate member.
