## **\$300,000 up for grabs as Cash 3 turns 20!**

*28 September 2018*

For 20 years Western Australians have been playing Cash 3 – the game that brightens your day.

Since 1998, players have been picking three numbers between 000 and 999 trying to match the winning numbers, winning daily prizes of up to \$500.

Lotterywest spokesperson Pina Compagnone said Cash 3 was popular amongst local players as the cheapest lottery game on offer with tickets costing as little as 50 cents.

“The odds are pretty great, starting from just 1 in 166 to score a win,” Ms Compagnone said.

“This humble game is inexpensive and very simple but returns so much to our community.”

“Cash 3 has raised over \$33 million for the WA community over the last 10 years, and \$3.3 million of this was raised in the last financial year alone which is a fantastic outcome.”

Owner of Galleria Lottery Centre, Julie Chew, said she sees her regular Cash 3 customers daily to put their lucky numbers on.

“A lot of superstition goes into choosing their Cash 3 numbers,” Ms Chew said.

“They use their birthday numbers, house numbers, even their phone numbers!”

Everyone is a winner with Lotterywest. Almost all money spent on Lotterywest games is returned to the WA community through prize payouts and grants. Last financial year this totalled \$463 million shared amongst local winners and over \$260 million given in grants.

### **Good things come in 3**

From Sunday 30 September to Thursday 18 October 2018, Cash 3 will be giving away \$300,000 – the biggest giveaway in the game's history.

Local players have the chance to win one of 30 \$10,000 cash prizes during Cash 3's new promotion *Good things come in 3*.

All players need to do is purchase \$3 or more worth of Cash 3 tickets in the competition period and register their ticket details at [www.lotterywest.wa.gov.au/games/competitions/good-things-come-in-3](http://www.lotterywest.wa.gov.au/games/competitions/good-things-come-in-3) for the chance to win.
