Lotterywest spokesperson Hermione Coleman said players had just hours to get their hands on a Powerball ticket for tonight's \$20 million draw.

"Last night's win is our 38<sup>th</sup> Division One winner for the year, so we're averaging more than one a week and we are really hoping for a Powerball win tonight," she said.

Last financial year, thanks to Lotterywest players, \$736 million was given back to the Western Australian community through prizes and grants.

Over the last 12 months Lotterywest has supported three organisations in the local Dianella community with more than
