

High Wycombe takes out \$2.6 million Superdraw prize

14 May 2017

One lucky Western Australian player could be set for an extra special Mother's Day after taking out a \$2.6 million Division 1 Lotto prize last night.

WA's winning ticket was one of eight delivered nationally in the \$21 million Saturday Lotto Superdraw.

The State's winner was purchased from Newburn Newsagency in High Wycombe.

Owner of the store Eddy Nitiprecha said it was the second Division 1 winner he had sold in his 12 years of ownership.

"I'm so happy I've made one of my customers a multi-millionaire and I just want to congratulate them," he said.

"The Lotto luck is here to stay and we're going for a third big win. Hopefully my big Buddha will help with that!"

A further 190,640 other WA players picked up a Superdraw prize last night, including 19 lucky locals who each pocketed a Division 2 prize worth almost \$10,000.

WA's tally of Division 1 Lotto winners for the year has reached 24. These winners have shared in almost \$62 million of prizes.

The \$2.6 million Division 1 winner from last night's Superdraw remains unclaimed.

Local Lotto players will have another chance to win big when a \$15 million OZ Lotto jackpot goes on offer this Tuesday.

Tickets are available until 6pm jackpot day from Lotterywest retailers in-store, online or by downloading the app.

Lotterywest spokesperson Pina Compagnone said it was also important to remember that even when local players don't have a win, they're helping the community have one of a different kind.

"Thanks to WA players who purchased tickets from us in last night's Superdraw, we were able to raise \$4 million to support great causes across our State," she said.
