Luckiest numbers revealed leading into Saturday's \$20 million Superdraw

29 July 2016

With only one sleep before \$20 million goes on offer in this Saturday's Lotto Superdraw, Lotterywest has revealed some of this year's luckiest Lotto numbers.

"The number 3 has been the most frequently drawn Saturday Lotto number, drawn ten times, followed by 1, 10, 20 and 24 which have each been drawn seven times and finally 5, drawn six times," said Lotterywest spokesperson Paula Schibeci.

So far this year, 46 Division 1 Lotto winners in WA have shared in over \$91 million worth of prize money.

Ms Schibeci said there have also been a few hot spot locations in 2016 where Lotto luck has struck more than once.

"Cloverdale is one of our lucky hotspots, selling two Division 1 winning Lotto tickets this year including one worth \$1.57 million in the last Saturday Lotto Superdraw in June," Ms Schibeci said.

Retailers have been run off their feet in the lead up to the draw and are expecting an even busier day tomorrow as people make a last dash to buy their tickets.

The peak time players will be buying tickets is likely to be between 11am and 12pm tomorrow with 650 Lotto tickets expected to be printed each minute.

A total of 850,000 tickets are expected to be sold throughout Western Australia for the draw.

WA players have until 6pm this Saturday to purchase their tickets in this weekend's \$20 million Saturday Lotto Superdraw from Lotterywest retailers, through [Play Online](#) or by downloading the Lotterywest App.

Support from local players in this weekend's Superdraw, is also set to help Lotterywest raise an estimated \$4 million for the WA community.

\$50 million week coming up

A big week of games is coming up next week with OZ Lotto jackpotting to \$15 million on Tuesday and Thursday's Powerball game boasting a huge \$35 million jackpot prize.
