

Play Online player picks up Division 1 Lotto prize

24 April 2017

Western Australia has welcomed its twenty-second Division 1 Lotto winner for 2017 after one lucky local picked up \$271,775 in the weekend's Saturday Lotto draw.

The winning ticket was one of 15 Division 1 winners nationally in the draw, with WA's winning ticket sold through Lotterywest Play Online.

Lotterywest spokesperson Pina Compagnone said this year's WA Division 1 winners have now shared in almost \$60 million worth of prizes.

"Almost four months into the year and we're averaging over one Division 1 winner a week," Ms Compagnone said.

"This has included some memorable moments including two \$15 million wins just within a month."

Over 93,000 other West Aussies picked up a prize in the weekend's Saturday Lotto draw including 20 players who each collected just over \$5,000 in Division 2.

When you play with Lotterywest – all of WA wins with a third of money spent on Lotterywest games supporting the WA community.

This includes a Lotterywest Grant over just over \$1 million to The Returned & Services League WA State Branch to support a range of this year's ANZAC commemoration activities.
