Triple your chances this week with \$76 million of Lotto prizes on offer!

15 March 2016

It's a case of things coming in three's this week with three chances for WA players to win big and a combined **\$76 million** worth of Division 1 Lotto prizes on offer!

There are jackpots galore, with excitement starting tonight when a \$30 million OZ Lotto jackpot goes up for grabs. Then on Thursday, a \$25 million Powerball jackpot, followed by the \$21 million Saturday Lotto Superdraw this weekend.

While WA struck lucky on jackpot games last year, Lotterywest spokesperson Pina Compagnone said we were waiting to welcome our first jackpot winner for this year on either OZ Lotto or Powerball.

"WA delivered nine jackpot winners last year who shared in an incredible \$177 million worth of Division 1 prizes including the record breaking \$50 million Powerball winner," she said.

"Although we've had a great run of Saturday Lotto winners in 2016, we are certainly ready to welcome our first WA jackpot winner for the year. We want to continue to deliver on our reputation of being lucky in Lotto in the West!"

So far this year, 23 WA players have struck Division 1 Lotto luck on WA's most popular game, Saturday Lotto.

WA players have until 6pm the day of the draw to purchase their tickets in-store from Lotterywest retailers, through Play Online or on the Lotterywest App.

It's not just the thousands of WA winners that are set to celebrate following these draws; Lotterywest is also expecting to raise a combined \$7.3 million from tickets sold to support the WA community.
