WA community the big winner in tonight's \$70 million jackpot

07 August 2018

Tickets purchased in New South Wales and Victoria have shared in tonight's \$70 million OZ Lotto jackpot.

Each winning ticket will deliver a \$35 million prize.

Although no Western Australian was lucky enough to take out tonight's multi-million dollar jackpot, more than 170,000 local players picked up a prize in the game's other Divisions.

This included five Division Two winning tickets, each worth \$32,521, which were purchased from:

- Lesmurdie Guardian Pharmacy and News
- Nextra Riverton
- The Lucky Charm Bull Creek
- Lotterywest membership online (Two)

"While we would have loved for a Western Australian to have taken out the win, we're delighted to be able to give so much back to the local community," said Lotterywest spokeswoman Pina Compagnone.

"Thanks to those players who purchased Lotterywest tickets over the last seven weeks of the OZ Lotto jackpot, over \$10 million will go back to the people of Western Australia through our grants," she added.

The winning numbers from tonight's OZ Lotto draw were 31, 26, 15, 21, 14, 24 and 40. The supplementary numbers were 33 and 3.

Players have another chance for millionaire status with this Thursday's \$80 million Powerball draw. The jackpot offer is the equal largest in the game's history.

Tickets for Powerball jackpot are available until 6pm Thursday from Lotterywest in-store, online or on the app.
