## WA's Superdraw lucky Lotto locations and numbers revealed

31 August 2018

As we count down to our sixth Superdraw of the year, Lotterywest has revealed Western Australia's luckiest Superdraw locations and winning numbers.

This weekend's 'Superdraw Saturday' will see the weekly Saturday Lotto Division One prize pool bumped from an estimated \$4 million, to a guaranteed \$20 million.

Over this year's five Superdraws, over \$100 million worth of Division One prizes have gone on offer and eight Division One winners have been produced throughout the State totalling \$13.2 million.

"These winning tickets have been purchased from as far south as Dunsborough when a local couple walked away with \$1.5 million, to as far north as Northam after a resident of the town scooped \$2 million," Lotterywest spokesperson Pina Compagnone said.

Ms Compagnone said there had been many locations in between that had been struck by Superdraw luck.

"Other Division One wins have been produced in Madeley, Nedlands, Baldivis, Mandurah, Victoria Park and Thornlie," she added.

For those players looking for the most frequently drawn winning Superdraw numbers, 31 has been the most popular, drawn three times, followed by 10, 23 and 27 each drawn twice.

"Support from players buying Lotterywest tickets in these Superdraws has also contributed more than \$16 million to support the WA community through Lotterywest grants, which is a great outcome," Ms Compagnone added.

Meanwhile, a retired couple from Stirling has claimed their Saturday Lotto prize of just over \$603,000 from last weekend.

"My first reaction to the news was disbelief," the wife said.

"I had to ask my husband to sit down before telling him the news – I didn't want his blood pressure to go up."

The couple, who purchased their winning ticket from Bedford Newsagency, said they were looking forward to a more comfortable retired lifestyle.

Tickets for this weekend's Superdraw are available from Lotterywest in-store, online and through the app.
